The adventure of Scouting is centered on the Troop's outdoor programs of hiking and camping. A Scout looks to camping for adventure, fun, fellowship, and recognition. There he stands on his own feet, learns new skills, explores nature, tests his physical and mental abilities in an outdoor setting, and enriches his appreciation of and respect for the great outdoors.

As a Scout, I hereby certify and agree to the following:

- That as a member of Troop 120, I understand that my behavior at all Scouting events and activities, including camping, is expected to **conform to the Scout Oath and Law**. I understand that Scout Spirit, as mentioned in the requirements for every rank in Scouting, includes behavior that meets these standards.
- **I agree to be an active participant while at Scout functions.** All activities such as rank advancement, camp ceremonies, campsite meetings, Scout's Own Religious Services, etc. are in support of the goals of Scouting, and all Scouts, except those excused by the Scoutmaster, are expected to attend.
- **As a Scout, I will set an example for others to follow.** I will be a role model for others including active involvement in instruction, assisting less experienced Scouts, and offering service to others wherever recognized or instructed. I will set a positive example with my **attitude / willingness** at all times. I will always strive to represent my Sponsor Organization, my Troop, and my Scouting Family in a positive manner.
- **I understand that I will be held accountable for my behavior.** I understand that if misconduct at a Scout function continues after repeated corrections or if behavior endangers the health and safety of any person, I may be sent home at the sole discretion of the Scoutmaster. If this occurs, my parents will be expected to arrange transportation home, regardless of the time, distance, or cost. If I am sent home from a campout for disciplinary reasons, I understand that there will be no refund of camping fees.
- **I recognize that if I am sent home for behavioral infraction, participation in future camping activities is conditional** and renewed privilege will be dependent upon the results of a Board of Review held with the Scoutmaster, Committee Chairman, Parent(s) and or Guardian(s), and the Scout. I am fully aware that my actions can and will most likely result in delayed rank advancement for such violations.
- **My Parent(s) or Guardian(s) and I have read, understand, and agree** to follow the rules for Scout functions as established by the Boy Scouts of America and Troop 120.

I fully understand that the consequences of misbehavior will vary depending upon the severity of the activity. I understand that these consequences can include warnings, sitting out during an activity, parent conferences, having a parent take me home from an activity, and expulsion from the Troop.
