

Committee meeting for Troop 120/5120 began at 7:35pm on Tuesday, June 21, 2022.

In attendance were Butch Keepers, Angie Keepers, Michelle Hall, Jodi Durnall, Alison Keepers, and Phoebe Keepers.

Training – Michelle is due for YP training, but she said that every time she goes online to complete it, it says that it's already completed. She was told to hit the retake button, to see if that fixed the issue. Powderhorn training is in August over 2 weekends, cost is \$300 for the 2 weekend course. Butch has reminded Ian about his training, and Michelle & Angie now both need YP training.

Troop Gear – need a pressure regulator for one of the camp stoves, motion approved and passed to buy a new pressure regulator. Troop will also need new pop-ups, as old ones have holes. Butch said he will keep an eye out to see if any go on sale, and when they do, he'll send out a mass text for approval.

OA – just finished last induction, net one is in September, happening at the same time as Webelos Woods. NYLT going on in July.

Treasurer's Report – no transactions this month, \$2166.28 in account.

PLC Report – last month was Greyson's goodbye day, TTFC Night, cooking skills challenge, Iron Chef Challenge (dessert challenge) no meeting 6/8/2022 and 6/15/2022. Kids want to play defend the church again on 6/22/2022, swimming at Pier Park pool on 6/29, TTFC on 7/6/2022, ultimate frisbee on 7/13/2022. 7/2/2022 is bike ride, 7/31/2022 is Hoyt Arboretum, with summer camp in there as well.

Advancement – Sofia got her Art Merit Badge, and Greyson made Eagle Scout.

Activities – summer camp coming up, 6 girls and 1 boy going camping, figuring out best option for getting there.

Fundraisers - \$1066.66 in the Bottle Drop account. Next fundraiser would be popcorn, but that's later in the year, and we can come up with other fundraiser ideas.

Michelle brought up the cost of gas, and thought maybe using some of the bottle drop funds to help pay for gas when driving to summer camp. Butch said that the cost of gas was less than \$5 a gallon where this year's summer camp location was, and said that if the cost is too high, they would discuss reimbursement of gas.

Scoutmaster's Minute:

Angie – lost 1 girl, trying to reconnect with Sofia for advancements. Butch brought up elections for new positions, possibly scheduled for tomorrow night's meeting. Quinn, Cade & Casey are all old enough for position of SPL. Quinn & Casey have not been SPL yet, while Cade has.

Butch – lost 2 boys (Greyson & Dillon), & Cameron says he won't be returning, but may be gaining a couple of new boys into the Troop, with many of the boys aging out of Pack 52. Biggest issue we have is we need more adult leaders, Butch said he's got paperwork to turn in for a couple of adults.

Meeting adjourned at 8:05pm.
